To: Dr. Peter Fritz Walter

To Whom It May Concern:

Dr. Walter has been my coach for the last four years. During that time he has proven to be a generous and giving leader who trains his clients hard and encourages them to do their best.

I thoroughly enjoyed coaching with Dr. Walter and came to know him as a truly valuable mentor. He is honest, dependable, and incredibly hard-working and cultured, and beyond that, he is an impressive systemic and flexible thinker who is always able to address complex problems differently.

I have greatly benefited having Dr. Walter as my coach. He teaches discipline, hard work and dedication to his clients and it is reflected not only in their performances but in their life and attitude as well.

Sincerely,

Boubaker Jaziri
